GLOBAL CONGRESS

New Horizons in Sports Medicine

Call for Abstracts

International Sports Medicine Congress
The Organizing Committee of the International Sports Medicine Congress invites medical doctors, physiotherapists, rehabilitation specialists, and researchers to submit their scientific abstracts for oral or poster presentations.

📌 Topics include (but are not limited to):

- Sports injuries: diagnosis and management
- Biomechanics and sports performance
- Rehabilitation and injury prevention
- Athlete's performance optimization
- Exercise is Medicine
- Sports medicine in special populations (pediatric, female, para-athletes)
- Nutrition and behavioral sciences in sport

📅 Submission period:

November 1 – December 31, 2025

📄 Abstract length: 200–250 words

✉ Submit to: yahia.mohamed@medolympia.com

📄 All abstracts will be peer-reviewed by the Scientific Committee, and authors will be notified upon acceptance.
